

ATF (Anti Twist or Anti Torsion Foils) have proven to be the most cost-effective, reliable and popular solution to the challenge of glazing Super-Hydrophobic or Oleophobic lenses for over 15 years

They are supplied in 3 different qualities so its easy to find the right one for you:

*ATF Standard – used by leading lens manufacturers for more than 15 years*

*ATF Flexi – a conformable, stretchy foil for Hi Base lenses and sportsware*

*ATF Gold – our latest product and the most powerful on the market, developed to cope with today's Super Hydrophobic Coatings.*

Available in roll or sheeted format, ATF's are available in 3 sizes and can be supplied as Private Label throughout the world.
